a&b moments...

I came in on Sunday FRANTIC about having a birthday party for my daughter because I booked event rooms at Hampton and had made and spent countless hours putting together a party where I invited nearly 50 people, only for me to walk in and them tell me they were overbooked and couldn't accommodate my party. I didn't know what to do! My husband told me to call Chuck E. Cheese's. The employee at the door got a manager by the name of Gabby, and I talked with her and explained my situation. She went and got the birthday manager Nick, and the two of them were able to book me a party not even an hour later the day of. Nick was my server for the party and he was FANTASTIC. I couldn't have had a better saving grace. Thank you Gabby and Nick, I'll be there next year!

I wanted to write to let you guys know how much my family loves our recent visit to Chuck E. Cheese's. We don't do birthday parties for our kids every year. But we still wanted to do something special for our daughters second birthday. So we took her to celebrate. We played, ate pizza, and had a great time. The employees were all great! All was great until we got in the car and my older daughters big sucker she earned was broken, lol but we made it work. Thank you so much for all you do!

I have a special needs child and sometimes it can be hard to take him in public but he loves Chuck E. Cheese's. We were recently at your Cumberland location and I just wanted to let you know about an awesome manager that you guys have there. His name is Willie Barnes and he really went above and beyond to make our experience wonderful. He is a keeper and deserves a raise! His kind behavior really made our day. Thanks again!

CHUCK E. CHEESE'S SHOW 3 2018

PLAY DATES
APRIL 16 - JUNE 24

Show 3 - 2018 is being sent out on Friday, April 13. You should see it arrive in your weekly packet from the Support Center.

Spring has sprung and now that the weather is starting to warm up we are celebrating our very own spring chicken, Helen Henny! May 27th is Helen's Birthday, but we are celebrating her for the entire duration of Show 3. To help with the celebration, Chuck E. and the band have produced some brand-new songs to help you step into spring. By now, most of you have fully transitioned from performing the old Birthday Show to Chuck E. Cheese's Birthday Star Spectacular. For those of you who have been holding out, now is the time to get up to speed because once you install Show 3, you will no longer have the option to perform the old Birthday Show.

Show 3 also includes a brand new Live Show, "Chuck E.'s Easy Dance!" This new fun Live Show can be selected from the show DVD menu or show control panel (depending on your stage type). "Me & My Friends" and "Chuck E.'s Happy Dance" will continue to be your automatic Live Shows, but we encourage you to begin learning this new dance because with the release of Show 4 on June 25th, "Chuck E.'s Easy Dance" will become one of your automatic Live Shows. You'll also want to get your practice in because we will soon be announcing a Live Show performance contest. Stay tuned!
